Dastan Smagulov

Front-end developer

📍 Astana   ✉ smagulovdastan07@gmail.com   📞 87029134650

Education

Middle education   2016 - 2021
Bilim Innovation   Lyceum
Pavlodar **GPA 4.0**

Higher education   2021 - 2024
Astana IT University, Astana
Second year student(GPA 3.2)

Courses

The complete Javascript course from zero to expert". Jonas schmedtmann.

Complete nFactorial start.

Passed piscine, and one month of education at Alem school.

Won grant for the Full Stack Web development course in Nfactorial school, which i am currently taking.

Hobbies

In my free time I love to play on the guitar, write short stories, and learn something new. But mostly I expand my knowledge in Frontend Development, solve some coding challenges, and just enjoy the path.
